Dear Mr. Michel:

STAT

Thank you for your letter of 30 January concerning an inquiry which you received from [] concerning employment during the summer months.

We do not have a program of summer employment which would afford the opportunity sought by [] for a broad exposure to governmental activities. Our requirements for summer-only employees are limited to the clerical field.

It might be helpful to [] to have a general knowledge of our career fields in weighing his future plans and we are enclosing a brochure which you might wish to send to him in this connection. Also, if he should obtain employment in Washington during the summer, we would be glad for him to visit our office to explore future possibilities further.

STAT

We appreciated your bringing [] inquiry to our attention.
